In-Ground Pool Construction Request

Please note that pools must drain onto a greenbelt if applicable or into the Senna Hills storm drainage system. No pools may drain into the Senna Hills sewer system.

Access to your backyard through a greenbelt is strictly prohibited. Any access through or damage to greenbelt property is subject to fines through Senna Hills MUD.

This form must be submitted along with a complete set of plumbing plans and an inspection fee in the amount of \$125.00. **Note:** If additional inspections are required there will be an extra \$150.00 fee per inspection that will be due prior to scheduling a re-inspection. Checks are made payable to **Senna Hills MUD**.

PLEASE NOTE THAT PAYMENT AND ALL DOCUMENTS MUST BE RECEIVED AND APPROVED BEFORE CONSTRUCTION BEGINS.

Applicant Name: _____ Date: _____

Property Address: _____

Applicant Preferred Method of Contact: _____

Contractor's Name: _____

Address: _____

Contact Person: _____ Contact Phone Number: _____

Applicant's email: _____ Pool Builder's email: _____

It is the responsibility of the homeowner to contact Inframark for the necessary inspection.
Failure to schedule and pass the inspection may result in termination of water service.

Customer Service Inspection (CSI) Inspection – When the pool has been completed, Inframark will conduct a CSI inspection to determine if the pool has been built according to the approved specifications necessary to protect the water system. Please submit your request to inspectionrequest@inframark.com . **Please include the address, requested date for inspection, and a contact number in case the inspector has any questions.**

Failure to schedule and pass the inspection may result in termination of water service.
